

MIDWAY
MEMORIES

82

Memories are:
happenings of the past that are locked
away in the mind; only to be swept up
again. When they are brought up, it is
only for a time being, a going back to the
past only to say, "Do you remember
when?," then you catch yourself doing it
all over again. You relive the moments
until you realize that-that was then and
not now. So you pick up and go on for a
new start; for who knows we may never
meet again. Who knows what tomorrow
might bring. But remember the past was
the yesterdays that you will dream about
today and many more tomorrows.

In Memoriam

We dedicate the 1981-82 annual to the memory of Lisa Walters, whose philosophy of life was to be kind to everyone she met. Even though she was with us for only a short time, she made a lasting impression on all of our lives.

JUNIORS

Three Down and One to Go!

The Junior class showed their spirit well throughout the school year. The majority of juniors this year chose not to have a beauty pageant, but chose an alternate fund raising activity for the prom. The juniors also did a super job taking care of the half time ceremonies at homecoming in spite of the rain. The junior class officers are: Anji Biddle, President; Emily Weirbach, Vice President; Jill Holcomb, Secretary; Stacy Baker, Treasurer; Allison Turner, Reporter.

FRESHMEN

Freshmen Get Into The Swing Of Things

The new Freshmen of 1982, after being tossed around in the traffic of the halls, forgetting their locker combinations, and getting over their fear of the seniors, got into the spirit of high school successfully. They constructed a float, adjoined a spirit chain, and decorated the gym for Homecoming. A very good year. The class officers are: Kyle McAlister, President; Shelly Doss, Vice-President; Tanya Allen, Secretary; Brad Berger, Treasurer; Jimmy Kruse, Reporter.

Panthers Take Co-

Under the Head Coaching of Brown L. Smith, the 1981 Midway Panthers took control of the 11 AAAA district race. Despite a shaky start, and failing to win any of their first three contests, the Panthers came back to show just how tough they were. Entering district play, the Panthers defeated Lampases 14-10 and then went on to play maybe their toughest game of the year, as they defeated Conally 20-14. Then the Panthers suffered their last embarrassment of the season as they fell to the Jeff-Moore Lions; a loss that proved to be the key to the District Race. The 1981 Midway Panthers went on to win their four remaining contests, which included beating the district favorite Belton Tigers, 21-8. The Panthers finished the season with a district record of 7-1 and earned a district Co-Championship. Standouts for the season included offensively — Doug Dulany, Mike Taylor and Jeff Kleypas; Defensively — John Williams, Brad Gordon, and Tony Rex. Captains for the '81 season were Doug Dulany, John Williams, and Jeff Kleypas.

The Gift Of Life

This year Midway High School students had a chance to learn the gift of life . . . CPR. CPR is the procedure that one takes if another person has a cardiac arrest. The response was good.

Student Council members were sponsoring the event and were encouraged to attend the three-hour long course as well as other students and teachers. At the end of the class the participants received a certificate for their efforts of learning the rewarding task.

Events In A Southern Night Of '82

A

The Junior class and sponsors worked hard to have a great prom. Each Junior student sold raffle tickets to raise money. They raised more money than any other class before. "SOUTHERN NIGHTS" was the theme of the prom, which went right along with "THE CASUALS" the band that played. Everyone had a great time before prom, two-stepping at prom, and after prom at the breakfast. "SOUTHERN NIGHTS" was a superior night not to be forgotten.

Blood Drive Successful

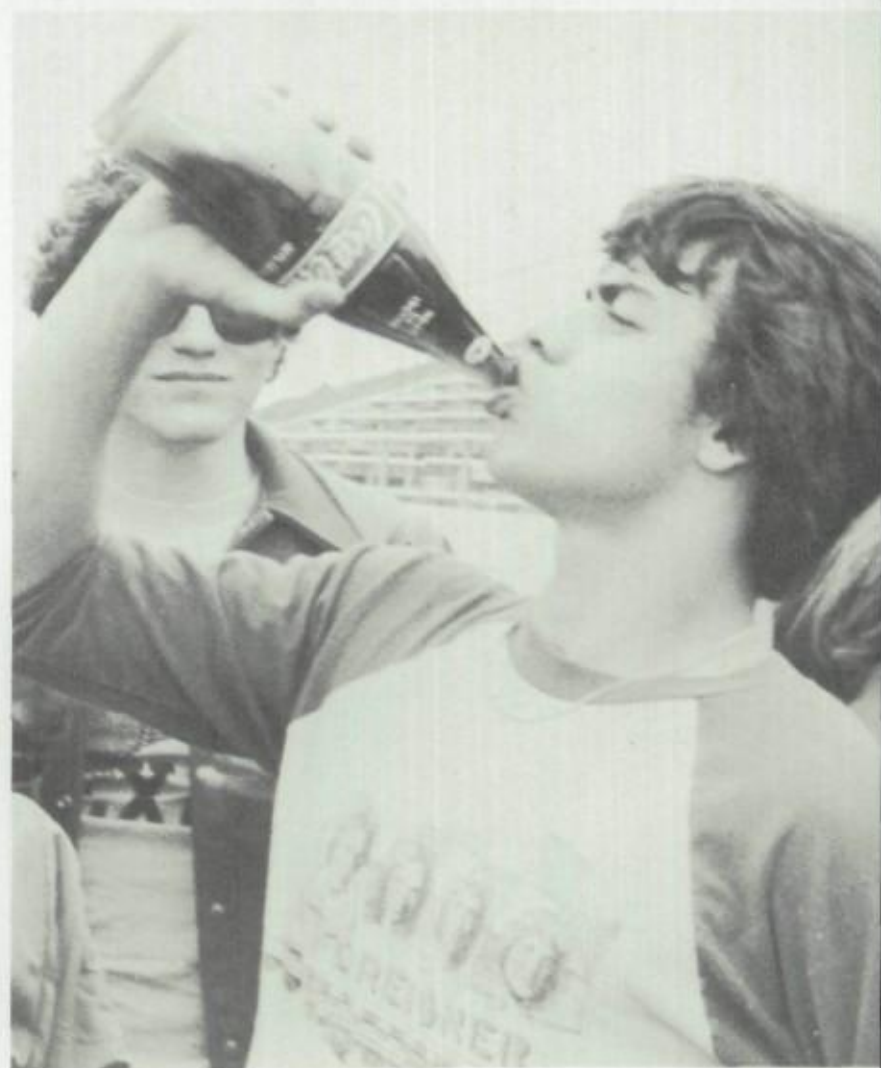

The annual Student Council Blood Drive had many participants this past year.

The American Red Cross set up on the stage and started the donors on their way. The nurses representing the Red Cross were very surprised at the response.

"The first time is the hardest" many who have been there before said. Donors reacted in many ways but all agreed it was well worth the trouble.

Colorful Events On P-Day

Every Spring here at Midway we have Panther Day. It is a time for the school elections for next year and also for fun and games. This year there was an assembly with entertainment provided by Rick Presley before students were dismissed onto the stadium field for the regular Panther Day events.

**A
STAGE!!!**

Fun, Frolicking, Frenzied,

The commons area was quiet as over 200 seniors walked down the aisles with the warm glow of flashlights hitting their faces. You could see the happiness on their faces as they sang the school song, and that sadness filled their minds as they sang the class song, "We Wouldn't Have Missed It For the World". The annual Senior Follies presented by the class of 1982 showed humor and emotion to those who came to watch. Skits like Mr. Taylor's Neighborhood, and Name That Class were a real success.

Follies is held for one specific reason: for the seniors to say good-bye in a special way. Through the laughter and the tears the senior follies of 1982 will remain in the hearts and minds of all who came and those who participated.

For the seniors who participated in follies all the hard work paid off as their way of saying "remember us and remember that these are the best of times."

Seniors Reach The End

The Commencement Exercises of 1982 took place at the Waco Convention Center. The prelude and processional were played by the band, followed by an invocation and welcome by Karen Eisen and Marty MacNabb. The choir sang the anthem, "Seeds Grow to Plants" and Mr. Taylor gave a large amount of students their special awards. Of course, the highlight of the evening was the awarding of the diplomas. The seniors showed their enthusiasm by cheers and applause followed by the same from family and friends. A good evening was rounded up by the singing of the school song by the senior class and a Benediction given by Karen Reynolds.
